The Baltimore Museum of Art

#### **COMPLETION**

1994

#### **SIZE**

210,000 sf

#### **COST**

\$23 Million

#### **ROLE**

Architect and Master Planning

#### **DESCRIPTION**

For a quarter century, BLT Architects guided the expansion and renovation of the Baltimore Museum of Art housed in a magnificent, classical 1927 building by John Russell Pupe. The east wing houses galleries for traveling and special shows, vaults, a new public entry court, a museum bookstore, the 400 seat Meyerhoff Auditorium, and a popular café overlooking the adjacent Wurtzburger Sculpture Garden.
