DESCRIPTION

The high quality performance space along with the luxury dressing rooms, green room and roadie support spaces attract prospective acts to Parx while state of the art sound and light technology combined with short sight lines from everywhere in the space, attract audiences.

This multi-use event center can also be utilized for everything from boxing and mixed martial arts events to banquets. The performance hall includes custom fabric acoustical panels, wood wainscoting, retractable chandeliers, a programmable proscenium, and adjustable curtains that allow the space to be used for varied type and sizes of events.
