Parx Casino

COMPLETION

2018

SIZE

12,000 sf

COST

\$7 Million

ROLE

Architect and Interior Designer

DESCRIPTION

BLTa worked with Parx to create a space that is unique to the casino with custom fabric wall panels, wood wainscoting with stone cap, custom carpet, and feature lighting. The sophisticated and comfortable playing experience allows for comfortable table seating and views of TVs from every seat while meeting the multitude of gaming requirements.

The space includes a waiting lounge, secured cage and VIP playing area. The LED lighting creates a comfortable ambiance to complement the warm tones in the space.
