DESCRIPTION

In 2008, BLT Architects renovated the Marble Rooms and central corridor of the Union League of Philadelphia to support its membership expansion to 3,500 members, while upgrading the dining venue to be consistent with the standards of the premier city club. The program includes the north and south dining rooms, men's and women's bathrooms, full open kitchen and serving buffet, front library bar, and lounge corridor. In 2007, BLT Architects was commissioned to renovate 17 new guestrooms and suites.
